Punctuality at School

Children arriving at school on time is an important aspect of the school day. Lessons begin at 9.05am and we would ask parents that children arrive in school before this time. Children arriving after this will be marked as late. Many thanks for your continued support.

Parking in the School Grounds

We would respectfully ask that parents and family members do not park in the school grounds at pick up times. This is a safety precaution as over 150 children are leaving school at 2.00pm and 3.00pm. ***Having moving cars in the grounds at collection time increases the likelihood of an accident.***

Healthy Eating

At our school we promote and encourage a healthy eating policy for our children. We would encourage parents to consider what is included in their child's snack each day.

Childhood is a time of rapid growth and development. Good nutrition during this time is important, as it impacts on children's general and oral health now and in the future.
